Blake Taylor ReSales!

Blake Taylor has been building in the Lowndes county area for more than 15 years. As his passion has deepened and his creativity has soared, he has designed and built beautiful homes throughout our area. While he is still building new constructions, the increasing value in his already existing homes has proven the validity of his statement: "High quality residential construction is our expertise ... attention to detail is our reputation."

I am proud and honored to be Blake Taylor's Realtor. I market his new constructions, and it gives me great delight to be an expert on his designs and workmanship. I feel a sense of pride and ownership that continues after each sale, throughout the time the house has become a home. I watch every Blake Taylor resale, even if I don't carry the listing. It is important to me to be aware of the value of his resales. I want each and every house to sell for
